COLLECTION apogee

Una collezione ispirata ad una materia complessa,
in bilico tra l'estetica del prezioso cocchiopesto
e quella, piu' brutale, del cemento in opera.

Apogee propone una texture apprezzabile sia per la
realizzazione di progetti residenziali che commerciali,
abbracciando, con particolare eclettismo,
stili architettonici e di interior design sia tradizionali
che fortemente contemporanei.

A collection inspired by a complex matter ,
the aesthetics of the precious aërthenware with the
brutality of the concrete.

Apogee offers a valuable texture for residential and
commercial projects , embracing both traditional and
highly contemporary architectural styles and interior
designs.
