VERNER + info pag 168

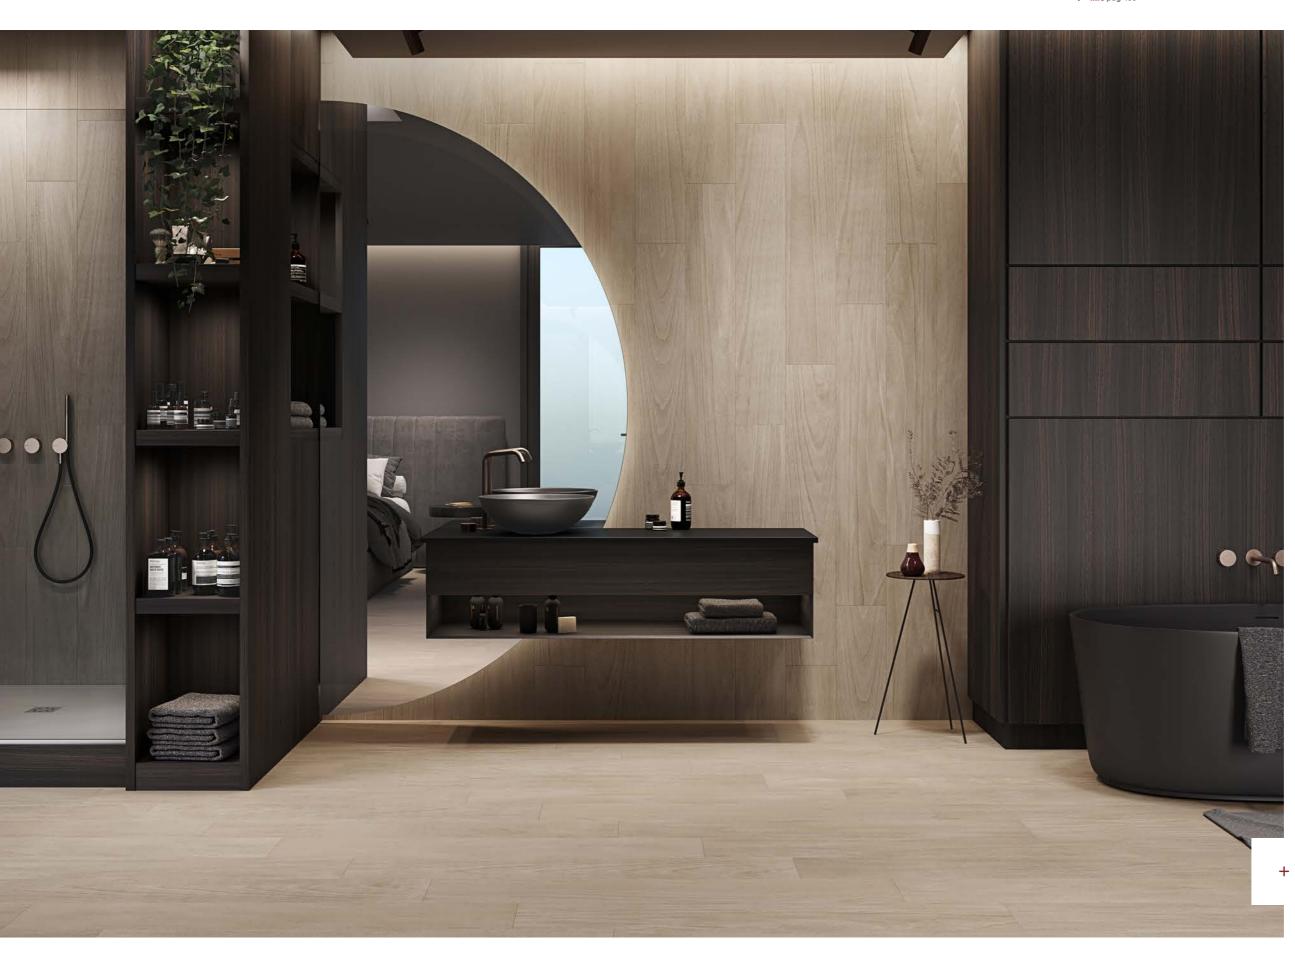

Beechwood provides durability and simplicity to a wide range of applications and everyday objects. Verner is inspired by this beautiful, warm, and natural wood, complementing our range of woods by providing a sense of harmony and elegance. Beechwood has a soft and delicate texture with subtle specks of light that give depth to the surface

_Esta madera se hace presente múltiples aplicaciones y en una gran variedad de objetos de nuestra vida complementa nuestra gama de maderas aportando armonía y elegancia, una madera de textura suave y
