MATHEREA

Protagonista della collezione è l'effetto cemento, caratterizzato da una palette cromatica composta da quattro tonalità dall'appeal metropolitano - White, Cement, Dark e Greige - che enfatizzano l'effetto naturale delle superfici. I molteplici decori in abbinamento trasformano MATHEREA in un progetto completo in cui richiami vintage incontrano il gusto contemporaneo.

The main feature of the collection is the concrete effect, characterized by a chromatic palette of four shades of metropolitan appeal - White, Cement, Dark and Greige - that emphasize the natural effect of the surfaces. The multiple matching decors turn MATHEREA into a complete project in which vintage meets contemporary style.
